Subject: Issuance of Supplemental Type Certificate (STC) ST02696NY

Dear Mr. Freyder:

This is in reference to your letter dated December 22, 2008, requesting the issuance of a Supplemental Type Certificate (STC) to install a Sky Connect Forte' Iridium Satellite phone tracking system on Gulfstream G-IV model aircraft.

We have completed our evaluation of your STC project, FAA Project Number ST6236NY-T, and find that you have satisfactorily demonstrated compliance with the applicable certification regulations. Accordingly, we have enclosed STC ST02696NY, issued May 13, 2009, approving this installation. Also enclosed is Airplane Flight Manual Supplement, Document No. AFM-2009-100, Revision IR, FAA approved May 13, 2009.

A copy of the STC and required documents should accompany the installation. Also, your attention is directed to the limitations and conditions specified in the STC, and to the attached copy of "Information Concerning Your Responsibility as a Holder of a Supplemental Type Certificate".

All fabrication and manufacturing should be in accordance with the data listed in accordance with Sky Connect Forte' Iridium Satellite phone tracking system on a Gulfstream G-IV model aircraft, Manufacturing Drawing List No. GIV-2009-100-2, Revision IR, dated January 09, 2009.

If you should have any questions related to the above information, please contact Ram Rambrich, at (516) 228-7307.

Sincerely,

Anthony Socias  
Manager, New York Aircraft Certification Office
